

# WHAT IS CONSIDERED A PROFESSIONAL CAMERA? WHAT CAMERAS ARE OK?

Professional cameras such as DSLRs, bridge cameras (fixed telescoping lens) or any devices with detachable lenses are **not allowed**.

Non-Professional cameras such as film photo cameras (analog photography), disposable, point-and-shoot, cell phones or instant print, like Polaroids, are **OK**.

**Any camera can be refused at security discretion upon entry.**

## CAMERA EXAMPLES

Below are some visual examples of what's allowed and not

### PROFESSIONAL NOT ALLOWED

DSLR with interchangeable lenses, bridge cameras

### NON-PRO ALLOWED

Instant, film, digital point-and-shoot, cell phones
