Reviews:

“Absolute Perfection! I can hardly find the words to describe how amazing The Midland Theatre is! I don't think you can find a more gorgeous reception venue in Kansas City...As another bride said in her review, you get a lot included in the price - lighting, set-up and breakdown, and you seriously barely even need a floral budget when you book The Midland because this place is already decorated for you! Another thing that Midland will save you money on is their sound system - since they hold concerts there all the time, it is an amazing system. The Midland may be the most stunning place in Kansas City, but it also boasts a wonderful staff, tons of room, great lighting and sound, as well as a fantastic location. If it fits into your budget, you shouldn't even think twice. Book it before someone else does!!!” – Kristen B.

“Thank you and the entire MT team for hosting our families and making our wedding an amazing lifetime memory! The venue, staff, setup, lighting, sound, service, etc. were all stellar. You guys did such an incredible job, and I can't thank you individually enough for pulling it all together. Please extend our gratitude to all those involved – you guys do amazing work.” – Cameron B.

“Thank you! The Midland Theatre and all the staff were fabulous.....everyone was so helpful and the theatre looked beautiful! I appreciate everything you did to make this wedding such a wonderful memory.” – Kelly F.

“I just had to thank you for making my daughter's wedding the special day she had always dreamed about. The Midland was a spectacular venue. I heard so many positive comments about the facility, staff and the entire production of the wedding event. I can't thank you enough for a flawless day.” – Colette T.

“I dreamed of getting married at a vintage theater, and the Midland's fully-restored 1920s charm more than delivered. I'm not kidding when I say it was the first, and ONLY venue we toured in KC. Our guests were in awe from the second they arrived, and are still raving, as are we. As for service, Katie, Susan and the entire tech crew are incredibly organized, creative and attentive. I'm a producer, and I felt like I was working a live event in every interaction with the entire team, be it via phone, email or in-person. Every question was answered, every detail reviewed. My vendors (and even our Rabbi!) were equally impressed with the Midland staff. If you're a bride on the fence, just visit, and just imagine kissing your new husband at the chandelier bar upstairs -- you will be sold on the spot. We were.” – Ali N.

“I worked with Katie at The Midland for my wedding and was so impressed! As a professional event coordinator myself, I work with over 150 meeting space and hotel venues nationwide a year, and I was MORE than impressed with The Midland. It was just..... EVERYTHING, and Katie was so wonderful and fun to work with!!! HIGHLY HIGHLY HIGHLY RECOMMEND FOR ANY WEDDING OR EVENT!!!!!!!!!!!!!!” – Breanne M.
